

Juniata Valley Football League

**League Meeting Minutes, 16 September 2003
Terrace Community Building, 8:30pm**

OLD ISSUES :

2003 League Schedules were updated once again. These changes will be posted on the web-site. Any other games needing rescheduled, coaches will contact the League Secretary.

A unanimous decision was made by all League Members, all JVFL games, referee's will be compensated \$35 per game.

A serious concern dealing with the 12 year old players leaving the midget programs in the League. These numbers are falling off quite rapidly. This will be discussed with the local Jr. High Coaches during the off-season.

Silent counts have been running ramped these season. This is a violation of JVFL Rules, and will be enforced with a "Illegal Participation", resulting in a 5 yard penalty.

A reminder to all League Coaches, PIAA Rules will be enforced. Thus meaning, a 15 yard penalty in the Rule Book, is a 15 yard penalty in our League. The size of the field has nothing to do with penalty procedures.

Weigh in's have been brought to the League's attention. Absolutely, under no circumstances, will any player participate in a game that is over the allotted weight in his/her division (Pee-Wee 110lbs, Midget 140lbs). Weigh in's will be conducted no later than 15 minutes prior to kick-off.

Ken Varner will be reporting a "JVFL Game of the Week" in the County Observer this season. He will be allowed on both sidelines during the game, and will have an identification card on his person. Please be courteous and answer any questions he might have when time permits.

All Organization Super Bowl Ads will be due by the League Meeting on October 2.

All Team Team Coaches and League Officers were present for League Meeting.

There are no outstanding League Fines at this time.

NEW ISSUES :

Playoff Brackets will be discussed and determined.

Collect Super Bowl Ads.

Collect Rosters for players participating in the Senior Bowl.

Any questions from prior to the end of the season into the post season.
